Introduction

Concerning every child of God, the bible says in Proverbs 4:18:

But the path of the just is as the shining light, that shineth more and more unto the perfect day.

The life of a child of God is supposed to be full of progress, forward movement and positive changes. But the enemy does not want this to happen. So the devil uses the yoke of delay to keep believers at the same spot in life. The devil is excited when a child of God does not make progress in life and has little results to show.

Many people experience delays in different areas of their lives. It may be a delay in finding the right spouse for marriage. It might be with regards to getting the fruit of the womb; timely conception of a baby. It may even be a business or financial delay.

We see a picture of delay in Proverbs 13:12. It says:

Hope deferred maketh the heart sick: but when the desire cometh, it is a tree of life'.

This scripture is very true because when your personal hopes, expectations and desires are deferred and have not manifested after a certain period of time, it leads to anxiety, stress and depression if not carefully handled.

Sometimes delays in life happen due to natural factors, but many times, the devil uses the yoke of delay to deny believers of their blessings. In the process, they lose their joy and their peace. Many deny God and backslide from the faith. Others begin to look for help from man-made idols and gods. This is not the will of God for His children.

I believe your life is about to change. In case you have suffered in life due to delays, I believe that yoke is about to be broken. Perhaps you have even given up on God; be encouraged that things are about to turn around for you. Whenever a person encounters light from God's word, it shatters every darkness.

With the light you will gain from the pages of this book, the darkness of delay will be shattered in your life.

As you read through, open up your heart and get ready for an encounter that will terminate the yoke of delay.
